

EUROPEAN MULTI-ACTOR PLATFORM (EU MAP)

The MOVING EU MAP is a stakeholder interface to **engage with mountain communities at European level**. Within this interface, mountain actors come together to exchange knowledge and to debate around the topic of resilience to climate change, and other threats, to mountain value chains. The EU MAP is consisted by members from the **23 MOVING Regional MAPs** and other **mountain actors**.

STAKEHOLDERS

2 WEBINARS

Mountain Value Chains: heterogeneity and innovation

European Quality Schemes: the added value for mountain value chains

163

EU stakeholders mapped from more than 20 countries

Campaigns for the International Mountain Day

4

Contributions to open consultations and other processes

- EU Roadmap restoring sustainable carbon cycles
- Mountain Education and Innovation Manifesto
- Brain drain – mitigating challenges associated with population decline
- Sustainable EU food system

6 interviews with key informants

WHY JOIN THE EU MAP?

- Learn from research outcomes of MOVING.
- Exchange with other stakeholders in similar positions and inspiring experiences.
- Learn about good practices and opportunities in other countries.
- Discover how other actors have solved a problem or if any synergies will help broaden horizons.
- Learn about EU-level policies and strategies related to mountain value chains.
